Work Experience

UGC Creator - Temp Jan '26 - Present
Gizmo · London, UK

- Developed a culturally resonant content identity; balancing trend awareness with brand authenticity to earn 35K+ views within the first 2 weeks of launch
- Served as a one-person creative studio: brainstorming, filming, and delivering content that consistently aligned with the brand's voice and visual world.
- Partnered closely with the brand team to ensure content laddered up to broader campaign goals and company mission and brand voice
- Currently averaging 1.2M monthly viewers

UI/ UX Designer Sep '24 - Jan '25
SPARK · Boston, MA, USA

- Utilized Figma to illustrate effective, sleek design solutions aligned to create an effective brand image for 2 Boston based start-ups.
- Constructed and executed a comprehensive research plan to test users and evaluate the effectiveness of prototype.
- Analyzed insights to transform research data into actionable recommendations.

Brand Ambassador Jun '25 - Sep '25
VUUM · New York, NY, USA

- Engaged with customers, enthusiastically representing product and addressing inquiries in 5+ locations across New York City
- Collected and analyzed audience feedback on new products.
- Developed and curated engaging social media content, consistently generating 3+ posts per week across Instagram and TikTok.

Content Creator Jun '26 - Present
SideShift.ai · New York, NY, USA

- Crafted story-led, short-form videos across Instagram and TikTok that translated a tech product into an authentic, relatable experience for everyday audiences
- Built community trust by staying present in comments and DMs, turning passive viewers into engaged advocates for the product
